FRENCH LETTER

Dear *Mayfair*,

My brother-in-law Max has been married to my older sister for ten years now, so I was a bit surprised to see a really cute little brunette walk into his kitchen when I went round to stay at their house last weekend. Max is loaded and lives in the countryside in one of those massive barn conversions. The brunette was the newest addition to their household, a live-in au pair from France who'd been brought over to look after their two kids.

"Meet Marie," Max said. "She'd usually be looking after the kids tonight, but they've both gone over to stay with friends." Marie came over to me and shook my hand. Her English wasn't great, but she explained to us that she was just about to go jogging and would be back in about an hour or so. She had a great body and looked fantastic in her little white cotton shorts and Lycra sports boob tube that hugged her pert breasts. I couldn't help but stare at her perfectly firm little arse as she walked out of the door.

"Keep your eyes off her!" Max said. "She's only 22. We're supposed to be looking after her; she's only been in England a few weeks." I told him that I'd behave, but there was no way I could be blamed for what happened later.

Max and I were sitting in his living room having a drink when the phone rang. It was my sister who'd been out with a friend and needed a lift home from the station. I told him I'd be fine on my own while he popped out to pick her up; I'd just sit and watch telly for a bit. No sooner had he left than the living room door opened. Marie had come back from her run a bit earlier and was wearing a white towelling dressing gown. She'd obviously just stepped out of the shower.

"Has Max gone out?" she asked. I nodded. "So we are alone?" she said in her cute accent. I nodded again. She came and sat down next to me, her dressing gown falling open slightly so that I could just about see the edge of one of her succulent-looking nipples. To tell you the truth I didn't really know what to say or do. She looked straight at me with her huge brown eyes. "Do you like French girls?" she asked. I was dumbfounded. Here was one of the most beautiful girls I had ever met and my brain just refused to function properly. "I think you do," she

PETRA-GLAD!

Dear *Mayfair*,

The appearance of the incredible Rea Petra in your magazine has been one of the highlights of 2016 for me, so I was chuffed you got her in again for 51.12 – and what a blistering set of pictures it was! Right from the very first pose, where she looks more like some sort of goddess, standing there in her see-through body, her stupendous tits proudly displayed to their full advantage, daring us not to worship her! Well, I'm afraid that's all I could do – especially by the time she'd uncovered that captivating bald pussy and given us a thrilling eyeful of all her charms! Absolutely stunning stuff – but then I suppose that's what we've all come to expect from *Mayfair*!

Martin, Derby.

said. She pulled open her dressing gown to reveal her fantastic firm breasts.

"Touch them," she said. I put out my hand and lightly touched her dark nipples, but she grabbed my head and pulled my face into her chest, making me suck on them instead. I felt her large, puffy nipples go hard in my mouth as Marie held tight onto the back of my head to make sure I gave

them my full attention. It wasn't enough. I love using my mouth and wanted to taste her pussy. I began to kiss down her stomach, pulling open her dressing gown and pushing apart her slender, tanned legs. She was wearing a little pair of white cotton panties and as she held her legs apart I could see a small damp patch forming in the gusset of her knickers. Again she clasped my head, pulling my mouth into her knicker-clad fanny. I could smell her juices and longed to slip my tongue inside her. I pulled down her knickers revealing her tidy hairy mound. Her pink pussy lips were clearly visible amongst her dark pubes and I began to

lick around her hole, occasionally dipping my tongue right into her slit. She tasted incredible and her sticky juices covered my mouth and ran into her pubic hair. She clasped her legs around my head as I focused on her clit, teasing it with the tip of my tongue as she ground her hairy pussy onto my mouth. Then she began to shudder and moan, crying out loudly in French as

TAKING THE FLICK!

Dear *Mayfair*,

In your last issue (51.12) you describe covergirl Felicity as a newbie, but unless I'm very much mistaken, did she not appear in *Mayfair* 50.06, which came out in June 2015? Either that or she looks very much like her – and has the same name and tattoo! I mean, it was nice to see her again (and, it has to be said, looking even hotter than her first appearance!) but what's going on?

Roger, Kettering.

Ah, guilty as charged, I'm afraid – well spotted, Roger! Yes, many apologies for that – it wasn't a deliberate attempt to present someone who'd appeared before as a newcomer to try and pull the wool over your eyes – we just failed to check the records properly, and, well, ahem, sorry again! Sometimes spending your entire working day surrounded by beautiful women taking their clothes off can addle the brain a bit – at least that's our excuse and we're sticking to it! – Ed.

she came, her whole body juddering with pleasure. After she'd come I kept licking slowly at her vagina, enjoying the sweet, sweet taste of her pussy.

"It is your turn now," she said, pulling down my jeans and boxers to reveal my rock-hard cock. She slowly licked up my length, sucking softly and tantalisingly on its tip before plunging her mouth right down on me. I felt ready to explode, but somehow managed to hold back. I wanted to come inside her pussy. Marie had other ideas though. She got onto her knees and leant over the sofa showing me her perfect little bum. "Do not touch," she said. Still facing away from me she spread her legs so I could not only see her swollen pussy, but also her tight little arsehole. She reached round and began to slip her fingers in and out of her snatch. As if I wasn't in enough heaven she then began to rub her pussy juices over her tight arsehole.

"Fuck me!" she cried. I knelt behind her and she grabbed my dick, rubbing its tip over the sopping entrance to her vagina before placing it at the entrance to her arsehole. She rocked back slowly and her tight hole gradually opened, letting my cock glide in. I went in slowly at first, then deeper with each thrust, Marie grinding her bum onto me as she squealed in delight. I could feel I was about to come and began to fuck faster and deeper, holding her right into me as I came deep inside her cute little bum. It was the horniest fuck I've ever had!

As we both began to relax we heard a car in the driveway. Max and my sister were back. We dashed upstairs and I threw my clothes back on, coming back down to greet my sister as if absolutely nothing had happened.

"Are you OK?" she asked. "You look a little flushed." "Never felt better," I replied. "It must be this country air. I'll have to come and stay more often!"

Colin, Guildford.

ISAAC 'AS-IT-OFF'!

Dear *Mayfair*,

I work for a digital marketing company and I've been there for a couple of years now, since leaving school. Most of the people I work with are around my age (with a few exceptions), so we tend to have a good laugh, in one way or another – practical jokes being the main one!

A few months ago, I came back to my desk from lunch, to find a note in the middle of my keyboard, telling me to look in my desk drawer. Fearing something would spray/jump out at me as soon as I opened it, I was cautious, opening it a crack before pulling it ajar some more. Nothing scary or disgusting had been put in my drawer. No, when I eventually felt brave enough to open it completely, I found a pair of silky, blue knickers lying across the top of my paperwork.

I was almost tempted to ask loudly who was playing silly buggers, when a thought crossed my mind: what if they were actually from someone who fancied me, and not a wind-up? I glanced around the room, watching carefully to see if anyone would give themselves away, but no one did. I settled my gaze on Vron, a sexy redhead who I'd come on to at the work's party, but I'd been knocked back unceremoniously. Nah, although I'd have loved them to be hers, I doubted very much that she'd be interested in me. Shutting my drawer, I tried to forget about them. No fucking chance. I couldn't help wondering who they belonged to.

About thirty minutes later, my phone rang and I heard a female voice at the other end. "Did you like my present, Isaac?" the voice breathed, sexily.

"Who is this?" I asked, still trying to

Now and then we get a letter praising the attributes of redheads, but it's not often you see a head that's quite as red as the one that's stuck on the top of *Mayfair* debutante Roxi's luscious bod!

"Well, it's certainly guarantees me a second glance when guys see me in the street!" she explains. "There's nothing better than the feeling you get when you just know a horny guy is checking you out – especially when his girlfriend's with him but he just can't help himself!"

Hmm, we'll take your word on that – but we're in no doubt that your first *Mayfair* appearance will do a lot more than just turn our readers' heads.

figure out if this was a joke or not.

"Interested? Thought you might be." I heard a giggle. "Well, if you want to see what's inside my knickers, meet me in the storeroom on the second floor at 3pm sharp..."

And with that, the mystery woman had hung up. My mind raced. I hadn't recognized the voice. She had sounded pretty horny and the whole episode had

the minutes ticked down towards 3:00.

At 2:55, I shoved the underwear in my pocket and headed in the direction of the toilets in the corridor, vigilant for any sniggers or giveaways. All my colleagues had their head down in their work and nobody showed any signs of knowing. They were either really good actors, or knew nothing about my present.

Once out of the office, I quickly moved down past the toilets and towards the lifts, hoping nobody would

glance up and spot me. They didn't. Nor was anybody about on the second floor, much to my relief. My stomach was churning, completely unsure of what I was about to encounter inside that storeroom.

I opened the door to the large cupboard, expecting someone to jump out, but it was dark and silent. I turned the light on and entered, shutting the door behind me. I figured that if this was a joke, the prankster would reveal themselves as soon as they heard it closed. Instead, I was surprised to see our company secretary, Jayne, appear from behind the shelves of paper and files.

I'd never thought of Jayne in that way – she was in her late thirties, with glasses and brown hair that she always wore in a bun – but looking at her at that moment, with a naughty glint in her eye, I found her extremely attractive, in a MILFy kind of way.

"Surprised?"

she smiled, walking towards me before reaching past and locking the door. "I thought you might be. You will fuck me though..." This wasn't said so much as

a question, than as a request, and as she spoke, she moved closer and closer, until her body was pressed up against mine.

Dumbfounded, I merely nodded, but that was enough for Jayne and she pounced! Pushing me back up against the door, she kissed me passionately, her tongue forcing its way into my mouth and exploring desperately. I've always liked a woman in control and this turned me on so much. I grabbed her arse through her smart skirt, my fingers cupping her cheeks as she moaned quietly.

Before I knew it, her hands were deftly unzipping my trousers and pulling my stiff cock out, her hands cold against the warmth of my hard-on. This, too, made me horny and as I couldn't be bothered to undo her blouse buttons, I pulled the garment up to reveal her big boobs, bursting out of a tiny lacy bra. Pulling the cups down, I sucked on her nipples in turn, as she began wanking my dick, her soft hands working on my full length, from my base to my bell-end.

I gasped as she got into a perfect rhythm and, when my prick was throbbing, she pulled away and sunk down to her knees. As she took my cock in her mouth and started sucking my tip, I remember thinking, 'thank you, God'!

Jayne, it turned out, was an expert cocksucker. In fact, she gave me the blowie of my life, from sucking my balls to gently nibbling my helmet, that woman did things that I had only dreamed of up to that point! I had to concentrate not to come too quickly – I could easily have blown my load within the first minute!

After a few minutes, Jayne stood up and, hiking her skirt up to reveal that she was wearing hold-up stockings and no knickers, bent over against the shelf unit and told me to fuck her.

I wasted no time and, positioning myself behind her, I felt her dripping pussy with my hand – just to make sure she was wet enough – before feeding my dick into her hole and plunging my shaft deep inside her.

Jayne began panting heavily, pushing back against me as I sank into her, screwing her hard and deep from the get go. I held onto her shoulders for leverage and ploughed in and out as hard as I could, but when she started moaning louder, I slapped one hand over her mouth. The danger of getting caught may have been a huge turn-on, but that didn't mean I actually wanted to get caught!

As I slammed into Jayne's pussy, I felt the muscles begin to contract and I knew she was coming. The tight gripping sensation around my prick was too much for me and I felt myself climax, too – both of us releasing the pent up pressure at the same time.

Jayne and I have had a few little encounters in the storeroom at various times, however it's not a regular thing. And, as management frowns upon intimate relationships with colleagues – and she's married – it will never become anything more than that. However, it's good to get a bit of stress-relief in the office – especially if I'm having a particularly shit day!

Isaac, Ellesmere Port.

SOFT FOCUS...

Dear *Mayfair*,

I just wanted to drop you a line to say what a lovely volume your 'Girls of Mayfair' special edition is!

All the girls featured pose in quite modest poses, but what a symphony of triumphant feminine curves there are on display! What could be sweeter than a lovely lady proudly bearing her bosom to delight the world? It's a precious gift, which the girls in this volume bestow so freely!

I've often thought how nice it would be if it were possible to do special editions devoted to particular girls (just imagine all the photos of Dani Maye gathered together under one cover, for example!) – each girl her own poem of tender feminine grace!

Thanks to everyone at *Mayfair* for all the delights you've shared with us during 2016!

Gabriel, London.

Thanks for that, Gabriel – glad to hear you've enjoyed our coffee-table offshoot! Hmm, we have thought about single girl special issues, but the economics of it are a bit tricky. Maybe it's something we could look at on digitalmagazines.xxx in the new year... – Ed.

turned me on enormously, but I was still suspicious that it was all a big jape. Still, fortune favours the brave, and all that, so I kept my eye on the clock and watched as

Hello there TJ! We see you've acquired a rather saucy pair of kinky boots. They're rather fetching!

"Thanks. Yeah, I went to see a musical called Kinky Boots, and it suddenly made me realise what I'd been missing all this time! As soon as I put them on for the first time I felt like a whole different person. I love the way I can drive a guy wild just by crossing and uncrossing my legs in them!"

We don't doubt it, although you'd drive us wild in a pair of clogs!

A man kills a deer and takes it home to cook for dinner.

Both he and his wife decide that they won't tell the kids what kind of meat it is, but will give them a clue and see if they can guess.

"Can you help me? I have the feeling someone is always watching me!"

The kids were eager to know what the meat was on their plates, so they begged their dad for the clue.

"Well," he said, "it's what mummy calls me sometimes."

The little girl screams to her brother, "Don't eat it, it's an arsehole!"

A woman in a supermarket is following a grandfather and his badly-behaved grandson.

He has his hands full with the child

screaming for sweets, biscuits – all sorts of things. The grandad is saying in a controlled voice: "Easy, William, we won't be long... easy boy."

Another outburst and she hears the grandad calmly say: "It's OK William. Just a couple more minutes and we'll be out of here. Hang in there, boy."

At the checkout the little horror is throwing items out of the trolley. Grandad says again in a controlled voice:

"William, William, relax buddy, don't get upset. We'll be home in five minutes, stay cool William."

Very impressed, she goes outside to where the grandfather is loading his groceries and the boy into the car. She says, "It's none of my business, but you were amazing in there. I don't know how you did it. That

whole time you kept your composure, and no matter how loud and disruptive he got, you just calmly kept saying things would be okay. William is very lucky to have you as his grandad."

"Thanks," says the grandpa. "But I am William. The little shit's name is Kevin."

A wealthy Arab Sheik was admitted to hospital for heart surgery, but prior to the surgery, the doctors needed to store his type of blood in case the need arose.

As the gentleman had a rare type of blood, it couldn't be found locally, so the call went out.

Finally a Scotsman was located who had the right blood type. The Scot willingly donated his blood for the Arab.

After the surgery, and in appreciation for giving his blood, the Arab sent the Scotsman a new BMW, 5 carats of diamonds, and £50,000. A couple of weeks later, though, there were complications and the Arab had to go through a corrective surgery.

The hospital telephoned the Scotsman who was more than happy to donate more of his blood again.

After the second surgery, the Arab sent the Scotsman a thank-you card and a box of chocolates.

The Scotsman was shocked that the Arab did not repeat his kind gesture as he had before.

He phoned the Arab and asked him: "I thought you would be generous again, that you would give me another BMW, diamonds and money ... but you only gave me a thank-you card and a box of chocolates."

To this the Arab replied: "Aye laddie, but I have Scottish blood in ma veins now."

The owner of a fancy hotel bar and restaurant has a bit of luck on the lottery and scoops the jackpot. He decides to throw a party for all his friends and lays on everything: drink, food, girls – the lot.

Being a bit weird, he decides to fill the pool with crocodiles. During the party he announces that whoever can swim across the pool and remain unharmed will get anything he wants. ANYTHING. But no-one moves. Then all of a sudden: SPLASH! Someone's in the pool. Crocodiles are all over him, but he bravely wrestles them off, fighting and dodging till he gets across, incredulously unharmed.

"Wow!" says the owner of the complex. "You were amazing! So do you want the girls now or later?"

I don't want them at all," replies the guy, looking mighty pissed off. "All I want is the bastard who pushed me!"

Q: What did the blondes right leg say to the left leg?
A: Nothing, they haven't met!

When North London lovely Gina made her *Mayfair* debut last year we resolved to get her back as soon as we could – and it's taken a whole year! Gina, what have you been up to that's kept you out of our clutches for so long!?

"Oh, well, I don't want to go into details, but I've been having a pretty fantastic year of it! Still, you've got me back now, so I hope you'll be making the most of me!"

Oh, that sounds like the sort of offer we can't refuse!

ZOI

Age: 28 Vital Stats: 32C-23-35 5'8"
Photographer: BB Media

While we try to be on our best behaviour with all the girls who model for *Mayfair*, for some reason we find ourselves trying extra hard with Zoi here! Maybe it's her rather posh accent that does it – or possibly her cut-glass looks that make us feel like we're lowering the tone a bit, just by being present! In any event, one thing's for sure – with her gorgeous face and impeccable bod, Zoi can always be counted on to raise the tone when she's present, and – unless there's something seriously wrong with you – she generally raises something else as well!

M

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I first met Adam on Christmas Eve, five years ago, and we've been together ever since. We're not only best friends, but our sex life is fantastic, too - however, like every relationship, we add a bit of spice ever so often, to keep things in the bedroom fresh and exciting.

A few years ago, Adam came up with a

more risky places.

At first we'd meet up in hotels and pubs - he'd be reading a paper with a pint and I'd walk through, heading straight for the men's toilets. He'd follow me in and would knock on the cubicle, to find me bent over and waiting for him, at which point he would simply fuck me from behind, as hard and

fast as he could, then go back to his pint, not even looking over at me if I sat down nearby.

Once, we caught a random train to the countryside, sat separately but met in the toilet so he could give me a good seeing to over the sink unit. Then, when we got to our destination, we walked until we found an empty field, then spent the afternoon making love in the grass.

We've also screwed in a clothes shop dressing room, in a lift, a car park at an airport and even in our local cinema! There are plenty more places I have yet to suggest to him, but we've always planned our little escapades together. So, the night before our anniversary last year, I decided to spring a big surprise on him...

He always goes out for a run at the same time every evening,

and always runs the same route. On this particular night, however, I had planned to wait for him on his way home, for a little bit of fun. After dinner, I had told him I was going for a long bath and disappeared to get myself ready. I put on a tight, black dress, hold-up stockings and high heels - with no underwear - and a long coat, did my make-up and left the house.

I had picked a spot in the park just around the corner from us, where I'd be able to spot Adam coming, but also where I could disappear into the ample bushes, if someone other than him came along.

It was a bit nerve-racking - it was still quite early and despite it being dark out, there was no guarantee we wouldn't get seen. I waited patiently, leaning up against a tree, but alert to any noise I heard.

I hadn't been there for very long, when I spotted a figure approaching up the path. I recognised Adam the second I clocked him, but he didn't see me immediately so I moved further into view. He looked shocked when he finally laid eyes on me in my sexy dress, and even more so when he ran closer and saw me lifting my skirt to expose my naked, shaved pussy.

Slowing to a stop, he was already out of breath, but when I moved behind the tree and dropped to my knees to give him a blowie, his breathing became even more laboured. When I wanked his shaft into my

mouth and noshed him off, he let out the occasional groan, turning to a whimper when I sucked his balls!

The risk of getting caught always gets Adam off quicker, so I didn't argue when he suddenly pulled me to my feet and spun me around to face the tree. Without uttering a word, Adam yanked my dress up and kicked my legs apart with his feet. I heard him tugging his shorts down and then felt his hand between my legs, checking to see if I was wet enough for his cock yet. As always in this situation, I was more than a little moist, so I knew he wouldn't waste time with foreplay.

I felt his breath against my neck as he moved in closer, then his bell-end nudging up against my pussy lips, judging where my hole was, before plunging in deep with one fell swoop. I gasped as he roughly shoved his dick inside my tight pussy, grabbing the tree trunk to steady myself as he immediately began banging in and out of my juicy snatch, obviously enjoying the mewling sounds I was making.

I had wondered it might have been better to intercept him near the start of his run, where he'd have more energy, but the adrenaline was really flowing through him now and he was screwing my brains out as hard as he could - so much so, I had to really concentrate on not crying out.

I wasn't too worried about coming myself - I was getting my kicks out of what this was

new game - which has become our favourite regular sexy pastime. It involves pretending we don't know each other and having completely 'anonymous' sex, sometimes without saying a word to each other. When we started, it was something we'd only role-play in the privacy of our own home, but as time's gone on and we've felt the need to up the level of danger, we take it to more and

doing for Adam – but my body surprised me, and as he fucked me, I came hard, my pussy clenching around his meat and squeezing him tightly.

Unsurprisingly, this set Adam off and, gripping my shoulders, he slammed violently into my pussy, grunting loudly until his body began shuddering, and he let go, blasting a huge load of jizz deep inside my already soaking snatch. As he pulled out I quickly pulled my dress back down and, without saying a word to him, walked off across the park in the direction of home.

He jogged passed me a few seconds later and, by the time I got home, he had showered and was laying naked on the bed, waiting for me. I hadn't wiped myself at all, so by the time I made it into the bedroom, the mixture of spunk and pussy juice had run down my thighs and soaked into my lacy stocking tops.

Still not speaking, I stripped out of my dress, down to my stockings and stilettos and straddled him, this time gazing right at him grinning at me, as I rode his cock hard – this time making as much noise as I could!

We've got a few more scenarios in mind for the near future and, if they turn out to be good ones, I'll write in again and tell you all about them!

“I SLOWLY DRAGGED MY TONGUE UP AND DOWN THEIR THICK, VEINY SHAFTS, SAVOURING THEIR DELICIOUS MUSKY FLAVOUR.”

My name is Emily. I'm 22, with long dark-brown hair and a slim, attractive build. My dad is loaded and owns a sprawling country estate in Argyllshire, up in Scotland – perhaps I'm your typical spoilt little rich girl.

I have a voracious appetite for sex, and back home in North London I'm forever sneaking one or two boys up to my bedroom for secret shagging sessions, or sucking men's cocks in my doorway.

Two weeks ago, I went up to Scotland with my dad for the first time. My mum was away to the South of France to see her brother. I was in Scotland for five days and on the third day my dad had to drive down to Glasgow for a business meeting. Apart from a couple of staff, I was left in sole charge – the lady of the manor, if you like!

Wearing a revealing bright white mini-dress, I had a nose around. A short walk from the main house, I came across the estate manager's office. The estate manager is Declan, an Irishman in his late 30s and a good mate of my dad's.

Finding the office door unlocked, I went inside and had a snoop around. Looking through some filing cabinets behind Declan's desk, I reached the bottom drawer and lurking beneath some papers I glimpsed a pile of porn mags.

Slightly shocked at first, my heart started racing and I began to get excited and turned-on as I pulled out a few of the girlies magazines. Yes, there were several *Mayfairs* (which is where I got the idea of writing to you guys about this sexy experience) and I got so horny and sexed-up that I soon popped my breasts out of my dress and rubbed my free hand over my tits. My hand strayed down and I rolled my dress up around my waist and slipped my damp white cotton panties down to my knees. The dirty mags had filled my head with such naughty thoughts – I just had to bring myself off there and then.

Opening my legs, I finger-fucked my shaven twat, and as I plunged my fingers in and out of my hole I casually stroked my clit, making myself come twice. Puffing and panting with pleasure as I frigged myself to yet another juicy climax, I was so caught up in my own self-abuse that it hardly registered when the door flew open and in marched Declan and his assistant, Nick – a guy in his 20s.

“What the bloody hell...!?” gasped Declan in his thick Irish brogue, while Nick just stood there, his mouth agape in astonishment at seeing me sitting there with my fingers wedged inside my naked, juiced-up fanny.

“Ooh, my God,” I gasped, letting the mags slip from my grasp as

I did so. “You've really caught me in the act this time boys. I'm a really bad girl, aren't I?” I smirked.

Having not had a cock in nearly a week, I was gagging for a good seeing to, and these were men, not boys. “Come and get it lads,” I teased as I rose from the chair and let my panties slide down my legs and off. “Get your hard cocks out and let me play with them,” I continued with a smile as I lifted my little dress clean off and stood before them completely naked.

“Declan, what...?” muttered Nick as both men hesitated for a second, unable to take their eyes off my tanned, firm, 18 year old body. The promise of a warm, open pussy quickly persuaded them!

“Lock the fucking door, Nick,” said Declan. “Let's give the filthy little slut what she wants,” he added. I watched, smiling, as the two men stripped off. Seconds later, they were starkers, exposing two of the biggest cocks I had ever seen.

Kneeling in front of the two men, I stroked my fingers over each of their stiff cocks and gently squeezed their balls. Their throbbing, swollen erections pointed upwards as I wanked them off one at a time – the swollen purple heads resembling a pair of ripe, juicy plums. Moving my mouth to their quivering knobs, I slowly dragged my tongue up and down their thick, veiny shafts, savouring their delicious musky flavour.

The men gasped with pleasure as I circled my mucky wet tongue around the bulbous helmets of their strong, straining hard-ons. Opening my mouth, I took Declan's cock between my lips and pushed down, feeling the tip of his dick bump against my cheeks as I sucked him off. At the same time, I continued to wank Nick off. As I pleased each of their poles, both men reached down and ran their hands through my long brown hair then roughly kneaded and squeezed my pert round tits. I withdrew Declan's cock from my mouth when I felt a little bit of pre-come slip down my throat.

“Why don't you fuck me, Declan?” I murmured as I rolled his glistening dick over my face and tits. As Declan moved around

behind me, I thrust my cute little bum in the air and opened my legs for him. Declan gripped my arse cheeks and pressed the head of his shaft against my wet, slippery pussy lips. A moment later I was moaning in pleasure as he entered me, his thick shaft filling my tight hole right up and stretching my fanny walls to their very limits.

As Declan pumped his cock in and out of my tight hole, Nick sat in front of me. I leaned down and, taking his cock in my mouth, eagerly sucked his monster erection, making him gasp with delight as I pushed my lips up and down his veiny member. As I sucked him, I tugged the root of his length and fondled his sperm packed balls while Nick reached under me and

when Declan's cock finally burst its banks and fired a deluge of sticky white come into my mouth and over my face, neck, tits and stomach. Christ,, some of it even landed in my hair.

What a gloriously slutty mess I must have looked – my body plastered with both men's filmy sperm. Like a filthy little tart, I scooped their cock cream off me and eagerly licked it from my fingers. Squeezing their bell-ends, I licked each of their wilting cocks clean, revelling in being a dirty little spunk-slut. Pulling my dress back on, I headed back to the main house. Shagged out, I enjoyed a long, hot, soapy shower and a pleasant afternoon nap before my dad got back, none the wiser.

the subject. Whilst she confessed to having slept with a couple of guys, including her spouse to be, it was clear that she had done little else.

Eventually having plucked up the courage with the help of another glass of wine, she confessed that she had never given or received oral sex in her life and she started to quiz me on the various techniques and methods. We both giggled as I used the neck of the wine bottle to display my techniques, before describing to her the pleasures of a good tonguing. Whilst I talked dirty to Jess, I could see her wriggling in the chair, and could sense she was as horny as me. With the help of a night's worth of alcohol, my mind began to

hatch a plan. I had never tasted fanny before, but Jess was a very pretty girl and if there was a time to break the duck, then this was most definitely it.

I moved across the room and knelt before her. She looked at me quizzically, but I fixed my eyes on hers.

"I'll show you if you like," I said, my heart pounding. I moved closer to her and put my hands on her knees. I started to pretend to lick her out and each time, I moved closer and closer to her, pushing her skirt up above her knees as I homed in. I kept eye contact with her, expecting her to leap up at

expertly massaged my firm young tits.

With both men's cocks inside me I felt so slutty at the roasting I was taking, as well as being totally ecstatic. When Declan put his arm around me and stroked my clit as he powerfully rammed his dick in and out of my hole, I writhed wildly, coming all over his shaft and balls.

Suddenly, Nick groaned out loud as his cock exploded and filled my mouth with his hot, salty spunk. As I greedily drank down Nick's gooey jizz, he pulled out and let go another copious wad of sperm all over my face and titties. Then Declan pulled out and furiously wanked his dick into my face.

"Come on my face," I purred sexily. "Shoot your spunk all over me," I coaxed. Declan tugged away and I flicked my tongue over the tip of his prick. I screamed with delight

One of my colleagues, Jess, recently got engaged to the love of her life. I've worked with her now for four years and she has always been a very quiet and shy person and whilst always an active member of any work outing, she would never really do anything to draw herself out from the crowd. So it was with the minimum of fuss that we celebrated her news when a few of us from the office headed into town last Friday night.

After a few glasses of wine the mood loosened and as usual the conversation amongst the girls turned sexual – and as usual Jess drifted towards the back, avoiding the conversation. At the end of the evening the girls all headed home and Jess and I headed back to mine, where she was staying.

The cork came out of another bottle and for the first time, Jess's tongue began to loosen. Despite being 25, it seemed her silence stemmed from an almost total lack of experience, which, she confessed, leaves her embarrassed when pushed on

any moment, but I think she still thought I was mucking about and just watched me. I reached her candy pink panties and breathed heavily onto her crotch, hoping my breath would penetrate the fabric. I heard her moan and she wriggled towards me, closing her eyes as she did so. I took this as permission and slipped my finger under her panties and pulled them gently to one side, exposing her moist, pink lips.

I moved in closer and ran my tongue along the length of her slit. I heard her swear under her breath and she wriggled even more, giving me total access to her gorgeous fanny. My tongue flicked her lips and, as she got wetter, I got my first taste of pussy. Warming to the occasion, she ran her fingers through my hair, encouraging me to continue, so I gently took her swelling lips into my mouth and sucked on them. She was panting quickly and I could sense she was close to orgasm. I continued to lap and lick her musky fanny, but at the point of orgasm she grabbed my hair and pulled me free, her body quivering, her lips moist

ankles, then repeated the process with his boxer shorts. His rapidly stiffening cock bobbed in front of Jess's face and she bent forward and kissed it on the tip before licking her lips slowly. Ollie sat on the arm of the settee with Jess knelt between his legs as she began to kiss and caress his ever hardening shaft. I sat opposite and surveyed the scene, beginning to feel incredibly horny watching one of my best mates playing with my boyfriend's manhood.

As Ollie's member reached almost full stiffness Jess pushed his foreskin back using her thumb and forefinger exposing Ollie's huge purple, shiny helmet. Jess bent over him and licked all around his bell-end, tickling him with the tip of her tongue. Ollie closed his eyes and savoured the moment.

"You need to get

it as far back into your throat as possible," I coached from the arm

of my chair. Jess looked at me briefly and closed her lips over Ollie's bell-end sucking slowly and gently as she started to bob up and down. Each time she slid down his shaft she managed to take a little bit more and slowly but surely Ollie's rigid and veiny pole disappeared between her moist, pink lips. She must have managed to push it into her throat and before long she had gobbled his entire six-inches into her virgin mouth.

With nobody paying me any attention I slowly slipped my hand inside my pants and gently began rubbing my swollen clitoris in time to the bobbing of Jess's head. She was now sliding her lips confidently up and down Ollie's entire length from the tip to the very root. She salivated as she hungrily gobbled his cock and saliva ran down his shaft, coating his balls in her shiny juices. Ollie began to move his hips up to meet her encouraging her to eat him more quickly and deeply. She was catching on and now having cupped his balls in her hand she started to squeeze them rhythmically. Ollie was groaning more loudly and watching Jess's head bobbing in his lap, her lipstick

smeared all over his shaft. He ran his fingers through her long, dark brown hair pushing down on her head, dictating her rhythm and the depth of his cock in her mouth. The deeper the better he liked it, as I knew from much previous experience.

Ollie's moans grew louder still and I am sure Jess would have been able to feel his rock hard pole continue to swell and

BEFORE LONG SHE HAD GOBBLED HIS ENTIRE SIX-INCHES INTO HER VIRGIN MOUTH

throb as I had so many times in the past. I could imagine and almost taste the salty pre-come dripping from his helmet as he approached his climax. I continued to rub my own clit with my finger as I watched Jess, my pussy now as wet as hers had been earlier. Still she continued to gorge herself on his dick, sucking and slurping with every breath like a woman possessed, her hand gripped loosely around his shaft, squeezing him gently as she sucked.

Groaning and moaning I knew Ollie was having a ball, he started to buck his hips even faster and rested his hands on the back of Jess's head. He almost shouted out loud as every muscle in his body tensed and he fired his hot spunk into Jess's hungry virgin mouth. I saw her swallow straight away drinking his seed as she fixed her eyes on his. She gripped the root of his cock and wanked him off as he continued to spurt his hot jism between her lips. Ollie collapsed in a heap on the settee with lipstick and saliva glistening on his cock.

Jess looked at him slumped on the settee then looked over at me. A bead of creamy white spunk ran down her chin from the corner of her mouth and she wiped it with

and shiny.

I pulled away, but knew she was on the edge and when her grip relaxed, I headed again for her minge but my demonstration was cut tantalisingly short when the front door slammed and Ollie, my boyfriend wandered in from a night at the pub with his mates.

I leaped back onto the chair as Jess straightened her skirt and

once my heart stopped pounding, my mind settled on a slightly different plan to satisfy a clearly excited Jess.

Now Ollie has always loved a good blow-job so as he walked into the kitchen, I looked straight into Jess's eyes and said, "You could always have a go on Ollie."

"Do you think he'd mind?" Jess asked, her eyes lighting up at the prospect of a little premarital practise. I hopped up off the settee and stuck my head around the kitchen door and could hardly believe what I was doing as I asked Ollie to join us.

I stood behind him and whispered my plan into his ear as I unbuckled his leather belt and unbuttoned his jeans. Unsurprisingly, I met no resistance from him so I pulled them down over his hips and down to his

her finger and sucked it clean. She stood up immediately and walked into the kitchen. I retrieved my hand from inside my damp knickers and followed her in.

"So then, marks out of ten?" I asked.

Jess just looked at me. "Ollie? Definitely the best yet!" she said at last, a smile spreading across her face as she stepped towards me and planted a kiss onto my lips so I too could taste my boyfriend's spunk, the devious cow! I don't suppose her husband to be would be too happy to know about what she'd been up to, but there's no doubt he'll benefit from the lessons she's learnt!

.....

Well I'll be damned – a 19 year old lovely who boasts a stupendous pair of natural 34Gs! Kylie, you're an extremely welcome new member to the Mayfair family!

"Ha-ha – thank you! Yes, I don't suppose these grow on trees, do they? But all the girls in my family seem to be blessed with pretty impressive racks, so for us it's nothing special, really."

Maybe not for you girls, but we reckon the guys in your family (well, the husbands and boyfriends at any rate) are probably rather more appreciative of them!

"Ah yes, you've got a point there!"

MAYFAIR Movies

If you find yourself flagging a bit after the Queen's speech and before the big movie starts, why not buck up your seasonal viewing with one of these? Or all three, if you're really dedicated!

Digital Playground

QUEST

CAST: Jada Stevens, Aria Alexander, Kleio Valentein, Brett Rossi, Katrina Jade.

Typical – you wait 30 years for them to make a half-decent Dungeons & Dragons-stylee spuff flick, and then when they do finally get round to it you've completely forgotten what was so great about the whole thing in the first place. Perhaps there's another younger generation out there now getting their jollies by rolling dice and trying to defeat evil goblins and the like – stranger things have happened, after all. In any event, while Digital Playground's *Quest* might not be the most timely release of the decade, there's still plenty of fun to be had watching its eye-pleasing starlets throw asunder their funny costumes and get to grips with their co-stars' cocks.

Jada has first roll of the dice, and finds herself battling a beefy Derrick Pierce, but thankfully they soon put their differences behind

Editor's PICK

them and fuck the bejayses out of each other. And so it continues, the girls' game of D&D acting as a framing device for all sorts of daftly-caped capers. As well as arousing, it's actually pretty funny in a corny sort of way, so five out of five for effort!

★★★★☆

Wicked Pictures

IT'S COMPLICATED

CAST: Gracie Glam, Brooke, Olivia Austin, Yhivi.

Oh God, is it? It's hard enough to get your head around even the daftest of porno plots, what with all that tugging off getting in the way, and as often as not it seems like even the director's not really sure what's going on, so a spuff flick that brazenly admits it's complicated is surely going to go down like a cup of cold sick. Then again, even a lame brain like me wasn't too baffled by the first scene, in which Ryan Driller is interrupted half way through a fry-up by Gracie Glam, who thoughtfully offers herself up for a dick on the dining table. Hmm, there's got to be more to this than meets the eye, hasn't there – it all seems pretty basic to me...

Things are slightly complicated by the appearance of a nosy neighbour, but for the most part things continue on their way, with a selection of eye-pleasing boy-girl pairings. Interestingly-named Yhiva's bridal gown boning is the highlight for me, but there's nothing to balk at throughout. Not sure what it was actually all about, mind...

Private

I CONFESS FILES 3

CAST: Karlie Simon, Chessie Kay, Victoria Summers, Satine Spark, Lexi Lowe.

Lordy! I'd heard that churches will do more or less anything these days to get a few pennies ringing in the coffers, but I hadn't suspected they'd actually hire out their facilities for a group of smutmongers to make a spuff flick in there – and not just one, but three, if the title of this film's anything to go by. Blimey, what's wrong with the odd jumble sale, or charging 10p to chuck a wet sponge at the vicar's wife's T-shirt? Victoria Summers is the first penitent to make her way into the

confessional, and she's got quite a bit to get off her (fulsome) chest. Turns out she's been an alcoholic prostitute (phwoar!), and the priest isn't too impressed. By way of a few Hail

Mary's he removes the confessional grill and shoves his knob through for some, ahem, glory-holy action. Well, I'm not sure this exactly conforms to strict ecumenical guidelines, but they don't let that stop them, and he's soon balling her doggy-style, the dirty bugger.

And that, pretty much, is the entire plot, with Satine, Lexie, Karlie and co taking Victoria's place. With an all British cast they all look the part, and there are certainly a few highlights along the way (the pop to Lexi's hairless pussy, say), but it's all rather samey. Definitely one for the (extremely) lapsed catholics only, I'd say.

ROXY

Age: 26 Vital Stats: 34AD-25-35 5'8"
Photographer: DDF

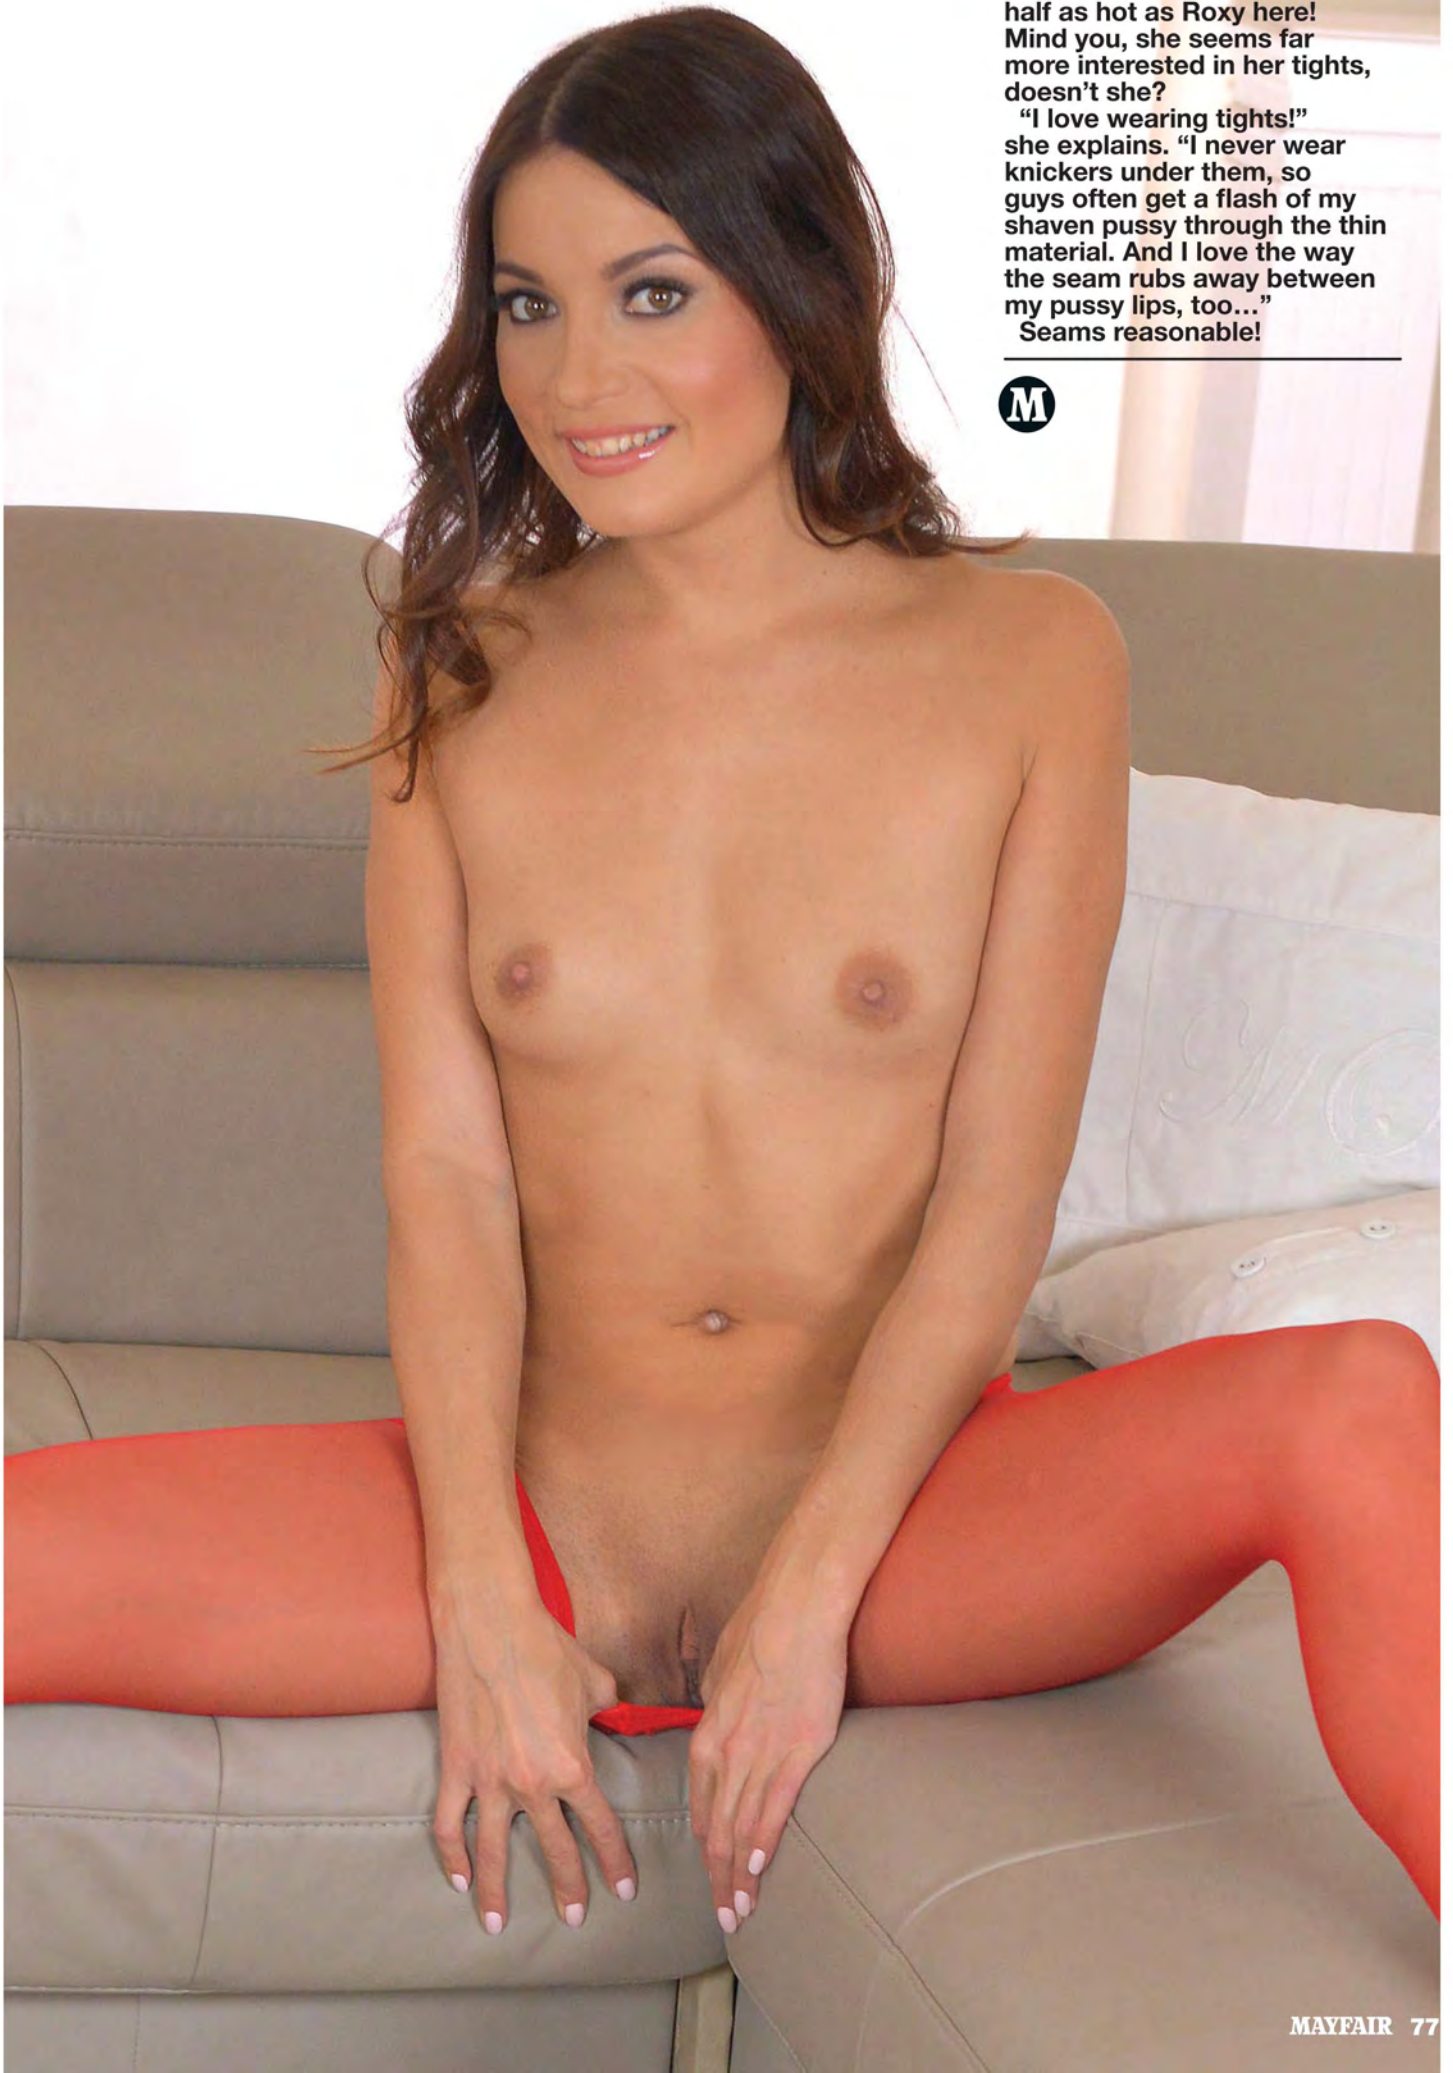

There's something about a girl in a tiny tartan mini-skirt, isn't there? Especially if she looks even half as hot as Roxy here! Mind you, she seems far more interested in her tights, doesn't she?

"I love wearing tights!" she explains. "I never wear knickers under them, so guys often get a flash of my shaven pussy through the thin material. And I love the way the seam rubs away between my pussy lips, too..."
Seams reasonable!

Mandy Bradley

MAYFAIR
Classic

Och aye the rude! Wee Mandy, the bare bairn from Kirkwall in the Orkneys, is having a fling stripping off her kilt for Scots and Sassenachs alike. The 21-year-old, who now lives in Glasgow, admits to always having a secret desire to shock her severe neighbours.

"At 16, I was the only one snogging a different bloke every week at the local disco. Then I'd go swimming in the harbour in my see-through bra and panties before bonking boys behind the boathouses."

Now, the bonny bird has taken to nude modelling. "I'm a full-time flirt now!" she says proudly. "A nine-to-five nympho. What could be better than teasing wee todgers into giant cabers all day, every day. I only wish I got the benefit of them all!" "A saucy wee lassie and no mistake! **M**

MAYFAIR Classic

Blimey, they didn't half go to town with the whole Scottish thing back in 1994. Who's to say whether Mandy really did hail from the Orkneys, but whoever was writing the blurbs in those days wasn't missing a trick! Swimming behind the boathouse and bonking boys, with references to tossing cabers and the like! Hoots mon, we'd never get away with that sort of thing now!

MAYFAIR

Vol.54 No.02

On Sale Feb 6th

Well it seems a bit odd to be bidding farewell to January's issue while at the same time wondering when I'm going to get round to doing my Christmas shopping, but hey kid, that's the way things work in publishing! all that's left for me to do now is cross some t's, dot some i's and then head home to get stuck into the G&Ts. But hey, you've always got to think ahead in this game, and to be honest I'm rather looking forward to getting back into the office, not least because I'll have the likes of Dannii Harwood and Lucy Alexandra to feast my eyes on!
